

Education Group's Standards

Education Group's Standards

An Education Group workshop guarantees quality.

It is a guarantee that has been experienced by thousands of schools and millions of children. It is why we are the UK's leading workshop provider.

Education Group workshops guarantee:

- Trained Education Group facilitators, drawn from professional fields
- Unique workshops created by Education Group experts, ensuring consistent excellence
- A bespoke service tailored to your needs
- Ongoing investment and development, with new workshops added regularly
- An Ofsted registered service or a service delivered to Ofsted standards
- A fully inclusive cost (facilitators, instruments, materials, travel)
- Enhanced Criminal Record Bureau checks
- Comprehensive insurance, photo identity cards and safeguarding policies
- An interactive, educational, fun day for your school to remember

In addition Education Group will:

- Support National Curriculum objectives
- Offer cross curricular workshops presenting subjects with a fresh approach
- Meet the five key objectives of Every Child Matters
- Align with relevant targets from your School Development Plan
- Attend external provider training
- Work towards suitable recognition schemes
- Support the Pupil and Parent Guarantees

Our workshops are hugely rewarding and a memorable experience for children, providing an inspiring day that is both educational and fun.

*Education group is **not** an agency arranging for unknown people to deliver inconsistent workshops; we have personally recruited, trained and assessed every facilitator to deliver our own workshops.*

Education Group believes in our products which is why we have been the market leader for many years. This is our guarantee.
